

MJHS 2024 OCTOBER NEWSLETTER

The purpose of the Marshfield R-1 School District is to prepare each student for a successful future.

First quarter is quickly coming to an end. Parents, as you look at your children's current grades, please know that we have many levels of support for your children to be successful. Please call the school office if you ever need to discuss your children's grades or other issues. Thank you, parents, for helping us enforce the cell phone policy. We want school to be free of distractions, and students have been honoring the cell phone policy.

ATTENTION PARENTS

Please be aware of the following:

- All students, K-12, must remain in the STANDS/gym during sporting events except to go to the restroom or concession stand.
- All K-8 students must be accompanied by an adult to attend a sporting event.
- These expectations are due to an increase in unsupervised students attending games and the district's desire to maintain orderly conduct and a safe environment for all spectators.

Students received information about MJHS Wrestling and MJHS Basketball on Friday, September 27, during JayTime. If students missed that meeting, they can contact Patrick Youmans, MJHS Athletic Director.

5. 8th Grade Families:

Beginning in October, your eighth grader will be learning the important vocabulary of high school such as credits, electives, prerequisites, semester, fine art, practical art, GPA, graduation requirements, A+ program, and ICAP as your JH counselors prepare students for a visit from the HS counselors in early November. Eighth graders will soon have access to a Class of 2029 Canvas page dedicated to all things related to high school (scheduling, class offerings, special programs etc.). When that site is ready, we will let you know and encourage parents/guardians to review that content with their students. Eighth-grade families should expect periodic emails about high school scheduling so it is important to read and review those with your student.
