

# MJHS 2024 SEPTEMBER NEWSLETTER

"Preparing Each Student for a Successful Future"

We are excited to have your student in junior high this school year! We have had an excellent start to the school year. We are thankful for all of the local churches and businesses that have donated school supplies this year. If you are in need of any, please contact the junior high office. This newsletter is to inform you of all the events that are happening in our junior high. There will be resources shared that will help ensure that your student has a successful school year. We look forward to partnering with you. Throughout the year, please reach out to Mr. Hyde or Mrs. George if you have questions.

## QUSTODIA - PARENT APP TO MONITOR CHILD'S DAILY CHROMEBOOK USE

This following letter was sent to all parents by Josh Hume, Assistant Superintendent of Operations, before school started. We wanted to share it again so that you did not miss the opportunity to install this valuable app.

*As part of our commitment to your child's online safety, we want to let you know about an important update. Marshfield R-1 Schools have partnered with Qustodio, the world's leading provider of online safety solutions.*

*As devices play an increasing role in children's education, it is crucial that we put safeguards in place. Your child already benefits from internet filtering technology which blocks inappropriate web content on their school-owned device. This is also mandated by US legislation.*

*Marshfield R-1 Schools is going one step further. We are granting every parent a voluntary free Qustodio Parental App account. If you choose, Qustodio will give you important insights into your child's online activity on their school device. You can use it to review and manage activities on other devices in your home too.*

*With Qustodio, you'll be able to: Manage your child's screen time; Supervise your child's online activity; and Access expert advice via Marshfield R-1 Schools Online Safety Hub*

**Activate Your Free Account** - In the coming days, Qustodio will email you with simple instructions to register your account, or you can start today by visiting [www.qustodio.com/my-school](http://www.qustodio.com/my-school). Please be sure to use the same email address we have on file for you when registering to connect to your child's device. If you do not receive an email from Qustodio or you are not able to register your account, you will want to go to the Infinite Campus Parent Portal here and create an account. **(If you did not receive this email, please call the junior high office (417) 859-2120 ext. 6.)**

*Please visit [mjays.onlinesafetyhub.io](http://mjays.onlinesafetyhub.io) for more information about Qustodio, access to expert advice and additional resources.*
